COMMUNITY *Support*

HARVEST TRAILS IS THRILLED TO HELP SPONSOR SOUTH BERKELEY SOCCER LEAGUE AND EPIC SOCCER!!

We were proud to watch the South Berkeley All-Star Team compete and win first place in two age brackets and best of all - the kids all got to enjoy freeze dried fruit! We are also extremely excited to show off our new goalie kit for EPIC Soccer! We donated 4 completely reversible kits to the two teams and they were a HUGE hit!

BACK TO SCHOOL

Harvest Trails Co. was proud to launch their first Back to School Donation Drive last year! Your generous support allowed us to provide freeze dried fruit to local classrooms!

We donated over 75 bags to Spring Mills Middle School, Mill Creek Elementary School, and a local homeschool co-op. During the event, we engaged with elementary school kids, educating them about the freeze-drying process and the importance of eating healthy. We are already looking forward to next year where we can continue the tradition of giving back to our communities most precious resource- our kids! Together, we made a positive impact on their education and well-being! 📚 🍎

PARTNERSHIP WITH SHEPHERD UNIVERSITY ATHLETICS

We are thrilled to announce our partnership with Shepherd University Athletics! This collaboration marks an exciting new chapter for us as we team up with their athletic program. Together, we look forward to supporting and engaging with Shepherd Athletics to foster community connections and promote healthy and active lifestyles. Stay tuned for the great things we will achieve together! 🎓🏆

We are also excited to share our partnership with Shepherd University's College of Business, where we worked with two classes to further our mission and help give the students an unforgettable business experience! 🎓📊🍏
